WORK EXPERIENCE

Digital Medium Africa | **Video Editor & Motion Graphics Designer** — 2024 – Present | Lagos, Nigeria

- Edit and assemble high-quality promotional videos, software ad campaigns, and educational assets for a digital media firm.
- Design custom motion graphics, lower thirds, title cards, and animated overlays using Adobe After Effects.
- Perform precise color correction and multi-track audio balancing to deliver cohesive, professional media.
- Collaborate with cross-functional creative and development teams to ensure alignment with project vision and deadlines.

PROJECT HIGHLIGHTS

CEO Softlink.ai Advertisement Videos | **Video Editor** — Oct 2024 – Present | Lagos, Nigeria

High-converting ad campaign combining dynamic product UI animations with sleek video editing.

- Created high-quality motion graphics, animated visual callouts, and seamless transitions to optimize viewer retention.
- Applied balanced color grading and custom text animations aligned with brand style guidelines.
- Executed end-to-end post-production including pacing, sound effects, and audio polishing.

Data Analysis Online Course Series | **Video Editor** — 2024 | Lagos, Nigeria

Comprehensive instructional video series designed for structured, high-clarity technical learning.

- Edited raw presenter footage and screen recordings into clean, highly engaging instructional modules.
- Enhanced audio clarity by eliminating background noise and normalizing vocal dynamics.
- Designed custom kinetic text animations and graphical overlays to clarify complex data analytics concepts.

Marriage Coaching Premium Course | **Video Editor & Colorist** — 2024 | Lagos, Nigeria

Premium 4K video course suite built for an elevated, cinematic digital learning experience.

- Edited 4K multi-cam footage, maintaining consistent visual pacing and elegant transitions throughout the course.
- Applied cinematic color treatment and lighting balance to establish a warm, premium aesthetic.
- Integrated custom motion illustrations, synchronized multi-track audio, and smooth typography overlays.
